The Chief (AD, AI and MIS) and Manager (C&S) had conducted the Pre-Bid Conference and welcomed the representatives of prospective bidder's in the Pre-Bid Conference for the Tender of Identification of beneficiary farmer and installation of 500 solar water pump at his field. It was briefed that purpose of the Pre-Bid Conference is to explain the various important provisions of the bidding documents to the prospective bidders and to clarify any queries that the bidders may have in the subject in submission of bid on online and physical mode. Manager (C&S) has explained the process flow chart for implementation of solar water pumping programme implemented by GGRC (Annexure -X of tender document).

**The following clarification from GGRC was given during the pre bid meeting.**

- i. The bidders were briefed about the eligible criteria, general terms and condition and scope of work for participation in tender of solar water pump programme as mentioned in the tender document.

- ii. For Work Experience under NABARD programme details, bidders may submit the copy of bank sanction letter of the case.
- iii. The Rate of offer for solar water pump will be inclusive of all expenses/cost (including applicable taxes) related to scope of work as mentioned in tender documents.
- iv. **The Bidder are clarified that the programme is in market mode where demand is being generated by bidders/suppliers. GGRC will not provide any list of potential beneficiary farmers for installation of solar water pump.**
- v. The mounting structures and tracking system of solar water pump should be strong enough to sustain load and is capable against high wind velocity and confirm the specification mentioned in the tender document.
- vi. It was informed that each and every solar water pump installation was verified by an independent third party inspection agency (TPIA) appointed by GGRC who will issue a Joint Commissioning report of system. The TPIA would complete the Joint Commissioning within stipulated time period as decided by GGRC.
- vii. It was clarified that Successful bidders would be registered as solar water pump supplier in GGRC and they have to submit the registration fees and security deposit as mentioned in tender documents.
- viii. It was informed that Bidder has to attend the after sales complaints of farmers seriously and should be resolved within stipulated time period. The warrantee period for solar water pump components would be 5 years and as per terms and condition mentioned in tender document.
- ix. It is advised by Chair that before filling the tender documents and price bid the bidders should carefully read the all terms and condition of tender document as well study the business module adopted by GGRC for implementation of Micro irrigation Scheme and Solar water pump programme implemented during last year for better understanding of GGRC business approach towards implementation of this programme.
- x. No amendment/modification was accepted by GGRC in the tender document. The terms and condition of tender document remain unchanged.
- xi. For any further clarification or information, bidders may please contact to Mr Pradeep Kumar, Manager (C&S) on [pkumar@ggrc.co.in](mailto:pkumar@ggrc.co.in) , 0265-3003471. The bidders are requested to regularly visit the <https://nprocure.com> or [www.ggrc.co.in](http://www.ggrc.co.in) or [www.statetenders.com](http://www.statetenders.com) for any further information posted by GGRC in regard to tender.

The meeting adjourned with vote of thanks to chair
