| 2       | Total Nos of participants                                  | 129  |
| 3       | Name of the Dignitaries who graced the function.           | <ol style="list-style-type: none"> <li>1. Shri Rakesh Shankar Yadav, IAS, DDO, Mehsana.</li> <li>2. Shri Bharatbhai Patel, DAP, Mehsana</li> <li>3. Dr. J C Patel, Agronomist, DAU, Dantiwada</li> <li>4. Shri Kathad, Joint Director of Agril.</li> <li>5. Shri Mukesh Patel, Asstt. Director Horticulture.</li> </ol> <p>DDO has encouraged the participants to learn and work for increasing the MIS awareness as well as adoption of the same in the district. Also to take care of quality work while raising the applications. DDO has given the MIS target to all individual VLW and also set the procedure for regularly reviewing the progress of the same.</p> |
| 5       | MIS Session, M R Kalaria, OSD, GGRC                        | <p>Discussed on Socio-economic and environmental Advantages of MIS in detail with reference to Mehsana District; Progress of MIS in state, along with District wise and crop wise break up of MIS coverage. Achievement and Target of Mehsana District for the year 2010-11. Crop wise MIS potential and scope to increasing the coverage.</p> <p>Also discussed in detail about GGRC Schemes with Procedure and care to be taken while raising the files. Also handled Q &amp; A session with the satisfaction of the participants.</p> <p>Conducted entire session through ppt Presentation very interestingly &amp; nicely.</p>                                       |
| 6       | Presentation by Dr J C Patel, Res Scientis, DAU, Dantiwada | Efficient use of water & fertilizers through MIS with maintenance aspects.   |

|   |                                       |  |
|---|---------------------------------------|--|
| 8 | Shri Kathad , Joint Director of Agril | Spoke on importance of MIS and motivated the participants to guide the farmers for adoption of best irrigation technology like MIS at subsidized cost. |
| 8 | R G Pandya, OSD                       | Vote of thanks & Feedback from the participants.   |

At the end of programme, Feedback reports were collected individually from all the participants. Cursory analysis of feedback indicates that all the participants' were highly satisfied in respect to programme arrangements, usefulness of the information shared, Style of MIS presentations, Arrangement of Hall, lunch/snacks etc. However, few have opined that small land holding is major constraint. Also suggested conducting this kind of programme twice in a year including progressive farmers too.
