1. Background and Objectives for Implementation of Micro Irrigation Scheme (MI Scheme)

Background

Gujarat Green Revolution Company Limited (GGRC), a Special Purpose Vehicle promoted by Gujarat State Fertilizers & Chemicals Limited, Gujarat Narmada Valley Fertilizers Company Limited, & Gujarat Agro Industries Corporation Limited, is the implementing agency appointed by Government of Gujarat for implementation of Micro Irrigation Scheme (MIS) in entire Gujarat State vide Government of Gujarat GR No.PRCH-102005-497-N dt.9.5.2005.

The MI Scheme was launched by Government of Gujarat on 09-05-2005 with total outlay of Rs.1500 Crores. Due to unique way of implementing MI Scheme in corporate manner, under the Scheme, within the period of 17 years more than 20 lakh hectare area have been covered & benefitted over 13 lakh farmers.

Gujarat agriculture with 44 lakh hectare net irrigated areas out of total 96 lakh hectares net cultivable area is dominated by closely spaced field crops & vegetable crops. Drip Irrigation system being a better water & energy saving technology has gained more preference by beneficiary farmers over sprinkler irrigation system.

Presently 52 MI Companies are participating in the MI Scheme & providing MI systems to the farmers. Due to increased demand of Micro Irrigation Systems & huge targets & scope of adoption by farmers and the same way work of carrying out inspection of the Installed sites by third party inspection agencies (TPIAs) is increased.

GGRC intends to select more agencies who are interested to work in the MI Scheme implemented by GGRC and empanel as Third party Inspection Agency @ GGRC approved rate.

Objectives for implementation of MIS in the State
