GSFC to launch Sardar package in Maharashtra

Vadodara: Gujarat State Fertilizer and Chemicals Ltd (GSFC), state's public sector undertaking, will be soon launching a 'Sardar package' in neighbouring Maharashtra. GSFC had recently launched Sardar package among farmers of Gujarat with the aim to promote use of solar pumps, drip irrigation and water soluble fertilizer (WSF). "We had launched Sardar package to save water, power and fertilizer. We are getting very good response in Gujarat and now are taking it to Maharashtra," GSFC's chairman and managing director S K Nanda told media persons here on Tuesday. TNN
